The Northern Tier Soccer Clinic is held at the Montrose High School Practice Soccer Fields in beautiful Montrose, Pennsylvania.

The overall goal of our clinic is to introduce younger players to the game in a fundamentally sound yet passionate and inspiring manner. Additionally, we aim to develop our more experienced players in challenging and beneficial ways. At the Northern Tier Soccer Clinic we maintain that soccer is a game meant to be fun and strive to keep the "fun" in "fundamentals". We aim to offer an enjoyable, yet challenging learning experience for both field players and goal keepers alike.

Accompanying the regular clinic staff will be a number of *guest coaches*. These seasoned coaches should prove to expose players to various soccer concepts in dynamic ways.

Have a great school year, and we look forward to seeing everyone this summer.
